I. CALL TO ORDER AND INTRODUCTIONS

The meeting was called to order at 10:03 a.m. by Chairperson Amie Kinne, with self-introductions.

II. APPROVAL OF JULY 12, 2018 MEETING MINUTES

Paul Rodriguez motioned and Ruth Brissenden seconded the motion to approve the July 12, 2018 meeting minutes as written.

III. DISCUSSION ITEMS

A. Local Mitigation Project Trust Fund

No update at this time.

B. El Sobrante Landfill Update

1. General Site Operations

David Harich reported:

Proposition 65 cancer causing chemical warning signs have been posted at the landfill.

The landfill passed quarterly surface emissions monitoring.

Several odor complaints have been received since the July 2018 COC meeting.

USA Waste is in the process of upgrading the odor control system.

The partial, final slope closure of Phase 8 and part of Phase 1 which is located in the southwest facing side of the landfill, is slated to begin in mid to late 4th quarter.

2. JTD Addendum Update

An overview of the JTD approval process was provided by Greg Reyes.

Dawson Canyon flooding issues were discussed.

C. Staff Update

Ryan Ross reported:

The landfill Agreement EIR Addendum was approved by the Riverside County Board of Supervisors on July 17, 2018.

IV. ACTION ITEMS

A. Review of Final 2017 El Sobrante Landfill Annual Report

Meeting participants discussed the timeliness of the 2017 Annual Report process, out of county daily tonnage limits due to fires, and incinerator ash usage guidelines.

Conditions of Approval Report:

Item 15-A and 15-B

Hans Kernkamp and Ruth Brissenden discussed the Environmental Impairment Trust.

Annual Monitoring Report:

Item AQ-1

Amie Kinne inquired about the approval process for a new energy plant. David Harich stated that this process is heavily regulated and would be specific to a new facility.

Item B-3

Ruth Brissenden and David Harich discussed mitigation and destruction of Dudleya plants.

Item B-6

David Harich stated that there is no riparian area habitat disturbance projected for the remainder of 2018. In 2019 soil will be stockpiled in Phase 14 from Phase 12.

Item B-10

Hans Kernkamp gave an overview of landfill tonnage charges.

Item T-3

Ruth Brissenden inquired how many vehicles enter and exit the landfill daily.

David Harich stated that an average of 950 – 1000 vehicles a day enter the landfill.

Mitigation Monitoring Report:

No Comments

V. PUBLIC COMMENTS (Individuals desiring to speak to the Citizens Oversight Committee will be limited to a maximum of three minutes)

Jerry Sincich inquired about the following:

Possible incinerator ash increase or decrease in 2018: David Harich stated that the volume of incinerator ash is expected to remain steady in 2018.

Monitoring of hazardous ash sampling: David Harich stated that an aggregate sampling quarterly analysis is done to assure that the ash is non-hazardous.

AQMD particulate matter sensors: David Harich stated that landfill activity requires costly sophisticated particulate matter monitoring.

VI. COMMENTS FROM COMMITTEE MEMBERS

Amie Kinne announced that the 2nd District COC Board seat is open.

VII. NEXT MEETING DATE

TBD

VIII. ADJOURNMENT

The meeting was adjourned at 12:09 p.m.
