

## THE TRUTH ABOUT

## **DONATED FOOD**

## Did you know?

- Any food facility may donate food to a food bank or to another nonprofit charitable organization for distribution to persons free of charge.
- A permitted food facility that donates food would not be subject to civil or criminal liability or penalty for violation of:
  - Any laws, regulations, or ordinances regulating the labeling or packaging of the donated product or,
  - Any laws, regulations, or ordinances, for a violation occurring after the time of the donation.

As a food facility donating food, California state law protects you!

Can you think of any reason not to donate your unused food now? We can't.

Information on how to safely transport and donate food can be found on the Department website: <a href="http://www.rivcoeh.org/Programs/Food-Donation">http://www.rivcoeh.org/Programs/Food-Donation</a>.

Below is a list of some non-profit charitable organizations in Riverside County that accept food donations and their days and hours of operation. Please contact the facility to make arrangements for food donations.
