*RIVCO RECYCLES DAY.*

*2023*

a 501(c) 3 NON PROFIT CORPORATION

**WEAR. REPAIR. REPEAT**

As a 501 (c) 3,  
REPEAT REUSE 's mission is to  
save the Earth's RESOURCES,  
support the CIRCULAR ECONOMY,  
DIVERT FROM LANDFILLS, and encourage  
the REUSE and REPAIR of existing materials.

---

*We want to help our community be more resilient in the face of  
the climate crisis while saving money.*

Repeat Reuse's goal is to make an impact on the amount of DURABLE GOODS being landfilled.

What are DURABLE GOODS?

The EPA defines durable goods as products w/a lifetime of 3+ years. Items include appliances, furniture, rubber tires, consumer electronics, and other miscellaneous durable goods such as luggage, sporting goods and household goods.

## RIGHT TO REPAIR ACT

[https://bit.ly/CA\\_SB244](https://bit.ly/CA_SB244)

The law requires manufacturers of electronic or appliance products with a wholesale price of **\$50 - \$99.99** to make available sufficient service **literature & parts to repair for at least 3 years** after it was manufactured, regardless of whether that period exceeds the warranty for the product.

For products with a wholesale price of **\$100+**, manufacturers must make service **literature & parts available for at least 7 years** after it manufactured, regardless of whether the warranty period has been exceeded.
