RIVERSIDE COUNTY
NEWS RELEASE

Contact: Sandra Green, Assistant General Manager
Riverside County Department of Waste Resources
(951) 486-3259

Idyllwild Grinding Facility temporarily closed, alternative sites announced

Due to staffing demands, as of December 18, 2020, the Idyllwild Grinding Facility is closed to all customers. The facility will reopen as soon as possible.

While the Idyllwild Grinding Facility is closed, there are several alternative facilities available in Riverside County. B P John Recycling – located at 28700 Matthews Road in Menifee – remains open and may be used as an alternate disposal location for bark beetle infested green waste loads. Customers must inform the facility upon arrival. The Lamb Canyon landfill – located at 16411 Lamb Canyon Road in Beaumont – is another site that remains open and may also be used as an alternate disposal location. Additional information may be found on the Department’s web page at www.rcwaste.org/Idyllwild-Grinding

We appreciate your patience and understanding as we take appropriate measures to ensure the health and safety of our staff and visitors. Contact Assistant General Manager Sandra Green at (951) 486-3259 or sgreen@rivco.org should you have any comments/concerns.
